

## Sepia series

Designed by Glismand & Rüdiger, Denmark

---

Sepia is a series of sofas and poufs designed by the Danish design duo Glismand & Rüdiger with a richly detailed exterior and a soft, inviting profile. The deep seat depth gives the sofa a lounge-like character, which is emphasised by the armrests, seat cushions and back cushions, where the filling is placed and optimised to create the softest possible experience. The seat cushions are also reversible, which makes cleaning easier and prolongs the lifetime, and are precisely positioned on a slightly sloped base, which keeps the cushions securely in place. A thoroughly classic yet modern sofa series, with a harmonious balance of comfort, elegance and quality.

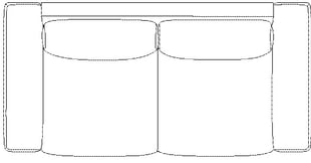

### Meet the designer

Bolia was born in Denmark, and so was the renowned design duo Glismand & Rüdiger – an origin that serves as main source of inspiration in their approach to furniture design. When designing furniture, the design duo seeks inspiration from the vivid Scandinavian nature and materials while honouring the proud design tradition built on simplicity, elegance, craftsmanship and sustainable materials. “We share a passion for Scandinavian design and natural materials. Sustainability is the starting point for every new design we create. All the way from the first sketches to the final product, cause what we believe the most, is designing beautiful products that are built to last and survive trends.” For Glismand & Rüdiger Scandinavian design isn’t a label, it’s a commitment in their design-work. It’s something to be interpreted in contemporary and new ways, and something to be proudly honoured.
