Fuuga

Fuuga is a series of sofas and armchairs designed by Buseti Garuti Redaelli. The series also includes a version with higher back and noise reducing properties, called Nesting Armchair, which ensures peace of mind, immersion and few disturbances. All designs share the same rounded back, where the armrests meet at a slant, giving the design a distinctive and beautiful expression. Fuuga is made from FSC-certified wood, and the traditional wooden craftsmanship in the base is emphasised by hand-crafted details and authentic materials that complete the design experience.
